

PROPERTY OF MEETINGS IN OHIO VALLEY YEARLY MEETING

A Note on Nomenclature:

"Ohio Valley Yearly Meeting" refers to that body known as Indiana Yearly Meeting (General Conference) from 1900 to 1975 and as Indiana Yearly Meeting (Hicksite) from 1828 to 1900. We list here a meeting that was part of Indiana Yearly Meeting prior to 1828 if some of the members affiliated with the Hicksite branch after the Separation and kept up that meeting for any length of time.

"FBG" refers to a Friends Burying Ground.

If the Property Corporation Trustees have obtained the original or a copy of a deed, this report has underlined the deed number. If the Yearly Meeting now holds a copy of the instrument in its archives at Wilmington College, we placed a slash behind the underlined number.

Unless otherwise stated, this report references the real estate records kept by the county recorder for the county noted under "Location." Unless otherwise stated, the organizational filings (such as incorporation papers) are those kept by the Secretary of State for the state noted under "Location."
