* When two meetings co-host, the name in bold represents the location of Quarterly meeting.

(SoS) May quarterlies still include sharing of State of the Society reports. Interactive program plans are encouraged.

Hosts provide overnight hospitality if requested, greeting (name tags welcome), main dishes, salads, and beverages for the pot luck, First Day School for all ages, and a children's program. Teens are not likely to attend if there is no scheduled teen retreat. Middle schoolers may attend with their parents but have not done so without program planned by the OVYM MY committee in recent years. Hosts should contact the co-host to request and coordinate assistance.

Co-Hosts should expect to contribute some of the main dish/salad/beverages for the pot luck, assist with set up and clean up, and possibly help with children's programming, including transportation to a local attraction for the afternoon portion of the program.

Clerk sends out announcements and reminders.

Notes: Oxford and Dayton MM generally do not serve as hosts for Quarterly meetings. Eastern Hills and Miami MM will be scheduled to provide adult programming in the next rotation.
